AGENDA

6th Annual Academic & Industry Intersection Conference: *Innovative Investment Models*

Thursday, April 30, 2015

Morehouse School of Medicine (MSM), Louis W. Sullivan National Center for Primary Care Auditorium

9:00 a.m. Welcome by David Stephens, MD, Principal Investigator, ACTSI and Vice President for Research, Robert W. Woodruff Health Sciences Center, Emory and Elizabeth Ofili, MD, MPH, Senior Co-Principal Investigator, ACTSI and Senior Associate Dean for Clinical and Translational Research, MSM

Introduction by Dennis Liotta, PhD, Samuel Candler Dobbs Professor of Chemistry, Emory and Executive Director, Emory Institute for Drug Development

Keynote: Pablo Legorreta, Royalty Pharma Founder & CEO

Royalty Pharma: Transforming the Funding of Life Sciences through Collaborative Capital

Royalty Pharma recently bought drug rights on Vertex Pharmaceuticals' cystic fibrosis treatments from the Cystic Fibrosis Foundation in a deal believed to be the largest financial return ever made by any charitable organization working to find cures for medical disease. The proceeds will lead to further Cystic Fibrosis research.

9:45 a.m. Break

10:15 a.m. **Panel: Case Studies of Successful Academic & Industry Partnerships**

Cambium Medical Technologies and Gwowe Technology Company

Ian Copland, PhD, Assistant Professor, Department of Hematology and Medical Oncology, Emory and Petit Institute for Bioengineering and Bioscience, Georgia Tech
